

#### THANKS TO YOU!

### Christmas Outreach Recap & Special Moments

You helped create so many magical moments during the holiday season. Every giving gesture showed a CHOICES youth that someone cares. Thank you for taking the extra time to pick out specific wishes for our kids. This is what truly makes the giving season special.

With your support, we hosted a foster care party with nearly 300 attendees. There were games, TONS of squishmallows, visits with Santa, raffle prizes and goat cuddles for our teens. All of this made possible because of your kindness. Three days later, we hosted a party for independent living teens, they enjoyed a meal, winning gift cards during bingo and each youth walked home with a MEGA door prize. Thank you for creating smiles and fun memories!

We are sending a very heartfelt thank you to all holiday donors from individuals to businesses. Here is a recap of the impact you made:

- 61 Winter Coats
- Christmas lists fulfilled for over 100 foster youth
- 19 foster families shopped in our Santa Toy Shoppe
- 60 Adopt a Teen Wishlists fulfilled
- 19 Adopt a Family Matches
- 40 grocery gift cards for Thanksgiving & Christmas Meals

The kids loved every minute of the Christmas party!

Awesome party! The kids were so happy - which led to a happy

Momma too!

### Teens and Foster Youth Attend Cirque Du Soleil Corteo

Year-round your donations help us provide special activities for the kids in our program. From time to time we are also delighted to receive direct donations from organizations. Thank you to Cirque du Soleil for providing 45 tickets to their performance of Corteo. This was a part of their Global Citizen outreach. A number of our foster families were able to attend, we also treated two transitional age youth to a night out. They were in awe of the performance and loved the acrobatics. Their caseworker said their smiles of JOY were so big. Your donations helped to treat them to dinner, and of course they picked Raising Cane's! Events provide first time experiences, build relationships and create special memories. Thank you for helping our kids!

#### **MEMORIES AND MILESTONES YOU HELPED CREATE**

# **Rookie Foster Parents of the Year 2023**

#### Kevin & Jennifer Kremer

Kevin and Jennifer came into this journey of foster parenting with hearts ready and arms wide open. The Kremer's began their fostering journey wanting to provide a stable, loving home. They have fostered two sibling groups. They supported the first siblings all the way until reunification, a truly bittersweet moment. Their commitment is all encompassing, from sports and extra education help, to supportive services, to their favorite meals, these kiddos will feel right at home as soon as they walk through the door. You can catch the Kremers and their crew at almost every CHOICES event, all the community activities, every school performance, weekend sporting event for the kids, or a professional sporting event to make memories. The Kremers have truly embodied the CHOICES values through their commitment, advocacy, and passion. Their dedication to ensuring healing and success for their youth's futures has been monumental.
